TESTIMONIALS:

Alumni

“The department is best among all the departments known to me. All the faculty of department is very helpful and like a family. They are well experience and have best knowledge of the subject. PG students have opportunity to observe Post mortem in Sasoon hospital as a part of departmental schedule. Because of this I could get life time experience observation of post mortem examination. The knowledge I gained in the department will definitely helped me to handle several poisoning and injury cases.”

Dr Atul Acharya (PG 2017)

“As per my opinion this is one of the best department of BVCOA and among all Ayurved colleges of Maharashtra as well as India. Very co-operative and talented staff, well equipped and attractive museum is the specialty of the department. PG researches of the department are helpful for society and also to promote Ayurved. Variety of referral books is available for students. Helping and caring staff is the strength of the department. For me Agada department is my second home.”

Dr. Swati Nikam (PG 2013)

“I can describe the department in one word. The field visits organized by department for UG and PG students are very helpful to understand the subject easily. We learned a lot through these visits.

Dr. Shobhit Dave (PG 2016)

I was MD student with Agadatantra as my discipline .The Professor's/Lectures are very knowledgeable and helpful especially in the department of Agadatantra. The college provides a

lot of practical sessions, FSL Visit, Pm Visit, Court Visit, Zoo Visit with Departmental Museum Facilities, seminar, Clinical Training on Visha Chikitsa and clinical postings.

Dr. Monalisa Shahu (PG 2020)

Studying in Bharati Vidyapeeth was indeed an enriching experience for me. I did my post-graduation in Agadatantra department which in course of time became my second home. Teachers are very cooperative and there is a very good academic environment in our department. All my teachers enlightened and elaborated us in detail in every aspect of clinical and academic work and guided us throughout this journey. I highly appreciate and recommend this college to the students who actually want to excel in their careers.

Dr. Mrugank Mishra (PG 2020)

Visitor:

“I have never seen such a well exhibited museum in any other Ayurved college. The poster in ‘Nature nook’ of antidote arcade is the best sign that signifies the importance of use of antidotes.”
