DEPARTMENT OF KAYACHIKITSA 2023

DEPARTMENTAL PROFILE:

Kayachikitsa is the foundation for core Ayurvedic treatments including both *shaman* [internal medicine] and *shodhan* [purification medicine]. The department gives comprehensive training in application of Ayurvedic principles and treatment modalities for variety of diseases; endogenous as well as exogenous in origin. Instead of managing only symptoms, our physicians aim at balancing impaired metabolism at tissue level. Special efforts are taken to train the students to diagnose and treat the contemporary and newer diseases like cancer, HIV- AIDS, Diabetes, Covid-19, Postcovid19, Skin diseases, etc. using Ayurvedic medicines and therapies.

FACULTY PROFILE:
