

DEPARTMENT OF SAMHITA AND BASIC PRINCIPLES OF AYURVED

DEPARTMENT PROFILE:

The term Samhita in the context of Ayurved indicates the 'Classical Medical Treatises of India.' This department initiates the beginners into the scientific foundation of Ayurvedic knowledge base which is documented in Sanskrit language. For better understanding of Ayurvedic medical concepts; Sanskrit is taught as a subject. Curricular details in all subjects of UG & PG courses are ultimately derived from ancient Samhitas only. Hence it is the nodal department & is connected to all 4 main examinations of BAMS (UG) course with 6 subjects namely Sanskrit, Padarth Vigyan & Ayurved Itihas, Maulik Siddhant evum Ashtang Hridayam and Charak Samhita (in two parts) and Research Methodology for MD Prelim and for fourth year B. A. M.S.

TESTIMONIALS:

1) Dr. Hemal Abhishek Bhatt

PGalumni Ayurveda Samhita and siddhant
 Assistant Professor in Department of Samhita and Siddhant
 in Shree SwaminarayanAyurvedic College kalol Gujarat

“It was my fortune that I could be the part of such a department. The subject is core Ayurveda and my best Samhita study was done here. All the teachers were very helpful and knowledgeable. They always supported me in every huddle during my PG study. I am very thankful to the Department of Samhita and Siddhant of BVDUCOA for what I am now.”

Best dissertation award honoured to Dr. Hemal Trivedi, our PG student-2016

2) Vd. Chinmay Pradeep Phadke.

BAMS, MD (Samhita and Siddhant)
Assistant Professor, AkurdiAyurved College.

“I consider myself very lucky to have an opportunity to train myself in Samhita and Siddhant under highly qualified, knowledgeable and yet humble teachers in this department. I will rate Five out of Five stars to this department each one for the Teaching Staff, Library, Digital resources, Electronic other facilities and most important - Passion to teach.”
