College of Ayurved, Pune

Bharati Vidyapeeth (Deemed to be University)

**Dates: 25th to 27th Sept. 2023**

**Venue: Andharban Forest, Near Pimpri Village,  
Tal, Mulshi, Dist. Pune Maharashtra.**

## About University

Eminent educationist and visionary leader Dr. Patangrao Kadam established Bharati Vidyapeeth in 1964 in Pune with the aim to provide enhanced learning opportunities and bring about intellectual awakening of people through the spread of education that would have a positive impact on the world. BV (DU) University is one of the top-ranking universities in India re-accredited by NAAC, Bangalore, and received 'A+' Grade committed to providing the best academic experience.

## About College

Bharati Vidyapeeth (Deemed to be University) College of Ayurved, Pune has carved a 'niche' in the vast field of Ayurveda, not only in India but also globally. In a span of merely 33 years, it becomes the most 'sought-after institute' by students due to well-equipped laboratories, herbal garden, pharmacy, clinics, NABH accredited hospital facilities which boasts of modern facilities for authentic Ayurvedic treatments like Ksharasutra, Panchkarma and supporting modern treatments

## About Symposium

It is a botanical expedition to provide an opportunity for the detailed identification, observation, and study of various medicinal plants found in Tamhini ghat, part of the northern western ghat. Being part of one of the global hotspots of Biodiversity, this area supports an enormous medicinal plant wealth. This excursion will provide a prospect for Faculties, Researchers, Students & Ayurvedic Practitioners to study medicinal plants in natural habitats under the auspices of eminent Dravyaguna experts and to interact with local healers who possess traditional knowledge of herbal medicine gained from personal experience and learned from forefathers.

## Objectives

- The symposium objective is thoughtful on the subject of medicinal plants of Tamhini Ghats of Sahyadri Mountains through a live demonstration for Faculties, Researchers, practitioners, and students of Ayurveda
- Impart knowledge and understanding to participants about identifying Medicinal plants and their usage in clinical practice.
- Dialogue on challenges related to Good Agricultural Practices and Good collection practices of Medicinal plants.
- Understanding confabulation on the Ayurvedic Raw Materials Market
