Thank you so much for the great honor to have the lectures from 11th to 25th of February 2012 in your institute. You gave us deeply improved knowledge and showed us how effective your methods are working since thousands of years. You ~~care~~ took care for us and enlightened our minds through your friendliness. Let us install and work on the network for Ayurvedic knowledge between India and Germany between Pune and Munich. We did the first step and go on the journey for life long learning.
