**4. Organizing Unit**

Organized by: Bharati Vidyapeeth (Deemed to be University) College of Ayurved, Pune

In collaboration with: Ray's Alumni Association, Pune

**5. Objective**

To promote holistic health care through community service and uphold the values of Seva Parmo Dharma.

To provide free health check-up and Ayurvedic & Allopathic medicines to Warkari Mauli participating in the sacred Palkhi pilgrimage.

**6. Details of the Activity**

Wari refers to a religious pilgrimage in Maharashtra, India, most famously the Pandharpur Wari. It is a centuries-old annual pilgrimage to the town of Pandharpur in honor of Lord Vithoba (Vitthal), a form of Lord Krishna.

**Serving pilgrims from Wari is a divine task** because it involves selfless service (seva) to thousands of devotees who walk with deep faith and devotion. By offering food, water, shelter, or medical aid to Warkaris, one becomes part of their sacred journey and earns spiritual merit. It reflects the values of compassion, humility, and unity.

The camp was held under the noble guidance of Hon'ble Dr. Asmita Jagtap Tai Saheb. Tai Saheb personally interacted with Warkari Mauli, participated in their health assessment, and distributed Ayurvedic medicines with compassion.

The camp was organized under the guidance of Principal Dr. Shailesh Deshpande & Medical Superintendent Dr. Shubhangi Katkar.

The camp was graced by the presence of Vice Principal Dr. Rahul Kadam, dedicated faculty, alumni, and enthusiastic students.

More than 1300+ Warkari Mauli were examined and provided with free health consultations and medicines.
