From the Chancellor's Office

Dear Students,

At the outset, let me welcome all of you who are intending to join our University.

I am extremely happy to note that you have selected our University for your further studies. All of you know that Bharati Vidyapeeth (Deemed to be University), is one of the leading Universities in the country having 'A' grade awarded by Ministry of Human Resource Development, Government of India.

It is also accredited with prestigious 'A' grade in 2004 and reaccredited with 'A' grade in 2011 by the NAAC, Bangalore and accredited with prestigious 'A+' Grade (3rd cycle) in 2017 by NAAC. It is also significant to note that some of its constituent units have ISO 2001-2009 certification. Our University has excellent infrastructure for all its constituent Institutions such as well-structured spacious buildings, continuously updated laboratories and hostels with all necessary amenities and facilities.

Prof. Dr. Shivajirao Kadam

Chancellor

Today, the horizons of knowledge are expanding exponentially. It is, therefore, a challenge to cope up with this vibrant system of higher education and Bharati Vidyapeeth (Deemed to be University) is well-equipped to impart latest training and education to its students. We are committed to provide excellent teaching, learning and research under its 12 faculties. The University continuously updates the courses of studies being taught in our constituent Institutions, keeping in view, the rapid changes and dynamism around. Our libraries are continuously updated. The University ensures not only high quality training, education in the respective areas of knowledge to the students, but also places emphasis on all-round development of the students. Abundant opportunities are also provided for co-curricular and extracurricular activities on the campus. In the discharge of its social obligations, the University is, no doubt, committed to see that the students graduating from this University are well-trained and well-prepared for jobs and become responsible citizens of the country.

The track record of the achievements of the University is indeed commendable. It is a matter of pride for us that scores of our students have achieved successes in their respective fields and established themselves in different spheres of life. We are aware that the success of any University largely depends on the number of successful students, it produces for the service of the society and the nation.

We, therefore, take every care for your bright future career and help you to translate your dreams into reality.

Once again, I take this opportunity to welcome all of you to the family of Bharati Vidyapeeth (Deemed to be University), and wish you success in your life.

Prof. Dr. Shivajirao Kadam
Chancellor

College of Ayurved, Pune

From the Desk of Vice Chancellor

It is a matter of immense pleasure for me to be a part of the Bharati Vidyapeeth Deemed University family as its Vice Chancellor. I take this opportunity to welcome all new students joining the university for PG (Ayu.) Courses. At this juncture, I would like to congratulate you for having reached this point in your academic journey. As a student of health science, you have a huge responsibility and a vast course work to accomplish in order to achieve your coveted degree. You can look up for any guidance, support and help in your mentors and the seniors in order to move ahead in life and excel in your field.

Prof. Dr. Manikrao M. Salunkhe

VICE CHANCELLOR

In terms of credentials, we, at Bharati Vidyapeeth Deemed University have a diverse group of students, representing many different states, cities, countries, hobbies, talents and ideas. However, for all our differences, we are united in our shared passion for knowledge in all our campuses and in all the faculties of teaching and learning. We feel delighted and privileged to be part of the Institution which bears the ideology of “Social Transformation through Dynamic Education”.

Many senior faculty members of the university receive invitations to be resource persons for national and international conferences. They are also invited to share their views in designing syllabus and curriculum at the respective statutory council. Research is an inclusive part of teaching and our faculty members have, to their credit, research papers published in indexed journals of repute. Active interaction between faculty, other academicians & professionals in the field by way of seminars, workshops give the students variety of experiences. The university has an extensive network of collaborations and linkages with a large number of national and international universities of repute.

The campus is ICT enabled and the colleges provide an e-learning and e-connect environment, alongwith class coordination system, document management system as well as virtual class rooms. The university is situated in a serene environment. The serenity alongwith a complex structure of curricular, co-curricular and extra-curricular activities will shape your physical, mental and intellectual growth. As a doctoral student of the university, you are the torch bearers of the created knowledge in order to bring in positive change, towards a direction that will develop sustainability of the system.

I, wish and assure you, on behalf of the Bharati Vidyapeeth (Deemed to be University), that we will help you pursue your objectives of life under the varied social, cultural and economic environment and make the University family proud of your attainments.

Prof. Dr. Manikrao M. Salunkhe

Vice Chancellor

Bharati Vidyapeeth (Deemed to be University) Pune, India

Bharati Vidyapeeth, the parent organization of this University is one of the largest educational organizations in the country. The status of University was given to a cluster of these colleges and institutes in appreciation of the high level of their academic excellence and for their potential for further growth. During the last 24 years or so, the University has achieved higher pinnacles of academic excellence and has established its reputation to such an extent that it attracts students not only from various parts of India but also from abroad. According to a survey conducted by Association of Indian Universities this University is one among the top ten Universities in the country preferred by the overseas students for admissions. At present, there are more than 602 overseas students from 45 countries on the rolls of constituent units of this University. It now conducts in all 290 courses in its constituent units, of them 107 are Post Graduate, 40 are Under Graduate and 37 Diploma level and 14 are PG Diploma level courses. 11 Fellowship and 5 certificate courses. All the professional courses which the University conduct such as those of Medicine, Dentistry, Engineering etc., have approval of the respective statutory councils, viz. Central Council of Indian Medicine, Medical Council of India, All India Council for Technical Education etc.

The University is a throbbing center of research activities and has launched Ph.D. programmes in 79 subjects and M.Phil in 2 subjects. It has also introduced quite few innovative academic programmes such as Masters in Clinical Optometry, M.Tech. in Nano Technology etc. The University's performance and achievements were assessed by the "National Assessment and Accreditation Council", and it was reaccredited with a prestigious "A" grade in 2004 & in 2011 and accredited with prestigious 'A+' Grade(3rd cycle) in 2017 by NAAC. Some programmes of the constituent units such as College of Engineering at

Pune, Management Institute in Delhi and others have also been accredited by "National Board of Accreditation". Three constituent units of Bharati Vidyapeeth (Deemed to be University) are also the recipients of ISO 9001-2001 certifications.

Salient and Distinct Features of Bharati Vidyapeeth (Deemed to be University) Pune India

This University

- | is one of the largest Deemed Universities in the country established u/s. 3 of the UGC Act, 1956;
- | is a multi-faculty University offering a variety of courses in 12 faculties namely Faculty of Arts, Social Sciences and Commerce; Faculty of Science; Faculty of Law; Faculty of Medical Sciences; Faculty of Dentistry; Faculty of Ayurveda; Faculty of Homoeopathy; Faculty of Nursing; Faculty of Pharmaceutical Sciences; Faculty of Management Studies; Faculty of Engineering & Technology and Faculty of Interdisciplinary Studies
- | is accredited and reaccredited by the NAAC with prestigious 'A' grade and accredited with prestigious 'A+' Grade(3rd cycle) in 2017 by NAAC.
- | is probably the only University of its kind in the country having three self-financing Research Institutes devoted exclusively to the researches respectively in Health Related Sciences, Pharmaceutical Sciences and Social Sciences.
- | has the distinction of getting recognition from the University Grants Commission u/s. 12 (B) of its act;
- | is a University, which is academically and intellectually very productive. Its faculty members have a very laudable track record of research, publications and patents;
- | has created a special fund to provide research seed money to its faculty members;
- | has digitalized the libraries of its constituent units and which makes an extensive use of modern Information and Communication Technology in teaching, learning and research and also in administration;

| publishes its own scientific Journal. Besides, two of its Management Education Institutes publish their own academic journals which have gained recognition in the core academic circles;

| has established linkages with more than 50 national and international reputed academic institutions, such as North Carolina A & T University (USA), University of Cologne, (Germany), Liverpool Law School, (UK), Kingston University (UK), Pioneer Research Centre for Nano-grid Materials, Pusan National University, Busan (South Korea), Deakin University (Australia), Selford University (Australia), Oxford Brookes University (UK) and several others;
