

## WEBINAR REPORT

Department of Kayachikitsa

Bharati Vidyapeeth (Deemed to be University), College of Ayurved, Pune

Title of the Event: Webinar on “Management of Liver Diseases: Ancient Wisdom to Modern Therapy”

Date: 28th July 2025

Time: 2:30 PM to 3:30 PM

Mode: Online (Webinar)

Occasion: World Hepatitis Day

### 1. Objective of the Webinar:

To observe World Hepatitis Day and to disseminate integrative knowledge regarding liver diseases through the lens of Ayurveda combined with modern therapeutic approaches.

### 2. Resource Person:

Dr. Sunil Inamdar, MD (Ayurveda)

Renowned Ayurvedic expert with significant contributions in liver disease management.

### 3. Organizing Committee:

Chief Patron: Prof. Dr. Shailesh Deshpande – Principal

Vice Principal: Dr. Rahul Kadam

Head of Department: Dr. D. L. Shinde

Coordinator: Dr. Virendra Pawar – Associate Professor, Department of Kayachikitsa

### 4. Summary of the Event:

The Department of Kayachikitsa conducted a successful webinar on the occasion of World Hepatitis Day to create awareness about liver diseases and to explore the contribution of Ayurvedic formulations and protocols in liver care.

The session was led by Dr. Sunil Inamdar, who spoke on “Management of Liver Diseases: Ancient Wisdom to Modern Therapy”, integrating classical Ayurvedic knowledge with contemporary practices. The webinar included clinical discussions, Ayurvedic liver tonics, Panchakarma therapies, and evidence-based practices.

Participants included undergraduate, postgraduate students, interns, faculty members, and practitioners from various institutions. The event also encouraged interdisciplinary dialogue.

## **5. Outcomes of the Webinar:**

- Enhanced understanding of liver disease management through Ayurveda.
- Awareness created about the significance of World Hepatitis Day.
- Integration of Ayurvedic and modern hepatology practices encouraged.
- Improved academic engagement through expert interaction.

## **6. Participation:**

Total Participants: 115

Feedback Received: Positive, with requests for more such topic-specific webinars.

## **7. Sponsorship and Support:**

Sponsored by: SAVA Herbals

Brand Sponsor: Livstar (Tablets/Syrup)

## **8. Photographic Evidence:**

Webinar Invitation Poster attached (with QR Code and event details).

## **9. Documentation:**

Registration list, feedback forms, screenshots of webinar, and recording (if applicable) are maintained in the department for NAAC documentation.

## **10. Future Scope:**

- Plan for a series of awareness webinars on organ-specific diseases.
- Collaboration with pharmaceutical and research institutes for integrative clinical trials.
