

World environment day, 2023

Date: June 5, 2023

Venue: Herbal garden, College of Ayurveda, Pune.

On the occasion of World environment day, NSS unit, Dravyaguna department along with nature club of Bharati Vidyapeeth College of Ayurved has organized nature activities in college Herbal garden. This event has made successful with all nature club members and teachers of Dravyaguna department under the guidance of Principal Prof. Dr. Abhijit Patil sir and Vice principal and HOD, Dr. Manasi Deshpande Madam.

Event started with a sincere pledged to protect nature. Then the members enthusiastically proceeded with the main event of tagging of plants with respective barcodes. Saplings were prepared from seeds in a proper method advised previously to the students. Later a brief program of sapling plantation was conducted in which students divided into five different groups, and planted more than fifty saplings while promising to see them grow into trees.

Along with this poster and reel-making competitions were also arranged in which many students from college submitted their entries providing their creative contributions to this world environment day 2023.
